

Learning is more fun with a capybara friend!

Join Cappy the capybara on a big adventure by the river. This activity book is made for **2nd graders (ages 7–8)** and mixes coloring with real practice in reading, math, and science.

- Reading passages with comprehension questions
- Two-digit addition and subtraction, place value, and story problems
- Telling time, counting coins, and skip counting
- Word search, maze, rhymes, and word scramble
- Capybara science facts and coloring pages
- Answer key for parents and teachers

2 All About Capybaras

Read the story. Then answer the questions.

Cappy is a capybara. He lives near a river in South America with his big family. Capybaras are very good swimmers. They have webbed feet, like a duck! Every day, Cappy eats lots of grass and water plants. When it is hot, he rests in the cool mud. Cappy is gentle, so many animals like to sit with him.

1 Where does Cappy live? _____

2 What helps capybaras swim? _____

3 What does Cappy eat? _____

4 What does Cappy do when it is hot? _____

5 Why do animals like to sit with Cappy? _____

5 Subtraction Splash

Subtract the numbers. Write the answer in the box. Then color the pictures.

 52 - 17 ____	 70 - 34 ____
 83 - 46 ____	 91 - 28 ____
 65 - 39 ____	 44 - 18 ____
